Our "I Love You More" Package is just right for that very special occasion - whether it is an anniversary, proposal, or an overdue "just because...". Upon check-in, our staff will assist you with your luggage and escort you to your romantic Jarves Suite where the lights will already be dimmed and the fireplace lit. The sweet aroma of a dozen long-stemmed roses will welcome you to this luxurious suite complete with two-person whirlpool, private balcony, heated tile floors, memory foam mattress, choice of pillow and more.

For this very special occasion, we have partnered with Roberto Coin, the famous Italian jewelry designer. His collection is defined by his exceptional quality, a thoughtful balance of elegance and creativity and of course, his signature hidden ruby - inspired by ancient belief that wearing a ruby close to the skin promotes long life, health and happiness. Our I Love You More Package includes your choice of either the Baby Open Heart necklace or the "I Love You More" bracelet. The 18K white gold Tiny Treasures necklace is 16-18" and features a heart pendant of .11 carats of diamonds. The 18K yellow gold bangle bracelet showcases the words "I Love You More" written in English, French and Spanish - simply captivating! Either choice is sure to communicate the perfect combination of worldly culture and love.

After settling into your elegant suite, we will deliver a Chef's VIP Offering Plate - a tasting of delectable petite menu items. You will also receive your very own hand-blown Sweetheart Champagne glasses crafted by local glass-blowing artist David McDermott. A Limited Edition Gift Box made of black lacquer and mahogany with chrome and leather details showcases your bottle of Special Edition La Grande Dame 1998 Riva Label Champagne, rated 95 points by Wine and Spirits and 92 points by Wine Spectator. La Grande Dame is Veuve Clicquot's prestige cuvee, named after its legendary founder, Madame Clicquot.

Inform us of when you would like to dine so we can reserve your special table for you to savor an award-winning three-course meal - soup or salad, an entrée from any of our tempting menus, and your choice of dessert and coffee. Breakfast awaits you in the morning in one of our beautiful dining rooms or if by chance you are awakening on a Sunday morning, you may choose to apply the breakfast towards our lavish Sunday Brunch, but either way, take your time; we have extended your check out time until 1pm.

While with us, you may consider visiting our Beach Plum Spa for a Couple's Massage or another of our many spa treatments (additional fees apply).
