

# Loyalty Rewards Program

For every qualified corporate/association meeting or conference you book at any of our three Catania Hospitality Group (CHG) properties, you or your organization will earn CHG Loyalty Points. You're not only assured a great event, you will also be greatly rewarded – compliments of CHG.

## What type of meeting qualifies to earn Points?

Any corporate or association meeting with a minimum of 20 guest rooms on one or more mid-week (Sunday through Thursday) nights at either The John Carver Inn & Spa, The Cape Codder Resort & Spa, or The Dan'l Webster Inn & Spa.

## Here's the math:

You will receive 20 Loyalty Rewards Points for every room night consumed from your group block. Every 300 Loyalty Points equals \$15.00 accrued as CHG Promo Gift Cards.

Example:	Total room nights consumed	200
	Total Frequent Guest Points earned	4000
	Total CHG Promo Gift Cards for you to enjoy	\$200

## How do I redeem my Catania Hospitality Group Loyalty Points?

Loyalty Points can be converted to CHG Promo Gift Cards by your CHG Sales Manager. At the conclusion of your event, the total number of Points earned will be confirmed. You can specify the values of your cards when your Promo Gift Card total is determined. Gift cards are issued after account balances are paid in full and may not be used to pay for the event at which they are earned.

## Where can I spend?

CHG Promo Gift Cards can be redeemed at any of our hotels, spas, gift shops, or restaurants – there is a complete listing for you on the reverse. You may use your CHG Promo Gift Cards for Holiday Party Giveaways, Donations, Raffle Prizes, Employee Recognition, or however you choose!

## Can I earn DOUBLE Points?

Yes! Book a program at any of our CHG properties during off-season months – mid-week (Sunday through Thursday), and earn 40 Loyalty Points for every room night consumed! In addition, your Sales Manager will notify you of occasional "Hot Deals" or special incentives at any of our properties.
